Midterm I

Information about the midterm exam

- The exam and its questions will appear in this section.
- It takes place on Tuesday 20.10 from **13:00 - 16:00**, e.g. for **3 hours**, and will consist of **two essays**. One of which is more theoretical, the other more practical.
- The questions will be picked from a selection of multiple questions, assigned randomly to students.
- The essays should be written in students' own text editors (such as Word), and handed in as **.pdf** or **.docs** (preferably .pdf - it will make TAs' work easier and you will receive the grades faster), and then be handed in on the corresponding Turnitin boxes that will appear in this section.
- In the event that any problem occurs, please contact us immediately at **tu-a1300@aalto.fi** or our **course Telegram chat**.

TURNITIN ASSIGNMENT 2

(1) Question 1

Value is a subjective concept – how do we form our conception of the value of a product or service, how is this reflected in the sales-situation, and how can you explain firm competition through this? Use examples.

Write an essay of between 500-750 words.

TURNITIN ASSIGNMENT 2

(2) Question 2

Corona has had a significant impact on economic activity. Discuss the short- and long-term effects of the crisis on supply-chain structure and function – does the crisis bring about permanent change, or does everything go back to normal once the pandemic is over? Justify your answer carefully.

Write an essay of between 500-750 words.
