# Week 6 Group Exercise Submission

**Due:** Monday, 26 October 2020, 6:00 PM

### Founding a business (1-2 pages)

- 1. Make a project network about the creation of your business.
- Network tasks may include obtaining business spaces, recruiting, etc.
- There must be flexibility in your project network, i.e. tasks of different lengths can be performed at the same time.
- Mark the critical path- Explain briefly the tasks of your project network
- 2. What are the risks involved in setting up your business and how can you be prepared for them?
- Think of the categories of risks

→ Week 6 Case Study: Projects
